CHAPTER 1: Introduction

The purpose of this document is to guide you as a provider through the process of entering your profile information free of charge into CAQH ProView™ to meet a variety of data needs of health plans, hospitals and other healthcare organizations. It also defines the steps to authorize, attest and maintain your data profile through the re-attestation process.

CAQH ProView Overview
CAQH ProView is the healthcare industry’s premier resource for providers to self-report professional and practice information to payers, hospitals, large provider groups and health systems. CAQH ProView eliminates duplicative paperwork for these organizations that may require provider profile information for claims administration, credentialing, directory services, and more.

Through an intuitive, profile-based design, you can easily enter and maintain your information for submission to your selected organizations. CAQH ProView can be accessed at https://proview.caqh.org/pr.

The following steps provide you with a high-level overview of the process to complete your data profile.
1. Register with the system.
2. Complete all application questions.
3. Review your data profile for accuracy.
4. Authorize participating organizations access to your data profile.
5. Attest to your data profile.
6. Upload your supporting documentation.

This document will provide additional information and helpful tips for each of these steps.

Getting Started
Completing the initial CAQH ProView profile may take up to two hours; however, preparing yourself for the information requested will reduce the time required to complete your profile. Additional time may be required depending upon several factors, including the number of practice locations, amount of postgraduate training and work history, and overall familiarity with online tools and systems.

CAQH ProView is fully supported on the current version of Chrome and Internet Explorer web browsers. The application is compatible with Safari, Edge, and Firefox though may not be fully supported.

If your practice has an office manager or clinic administrator who assists with gathering information for credentialing or other administrative purposes for multiple providers, the CAQH ProView Practice Manager Module may facilitate your data entry process. Data that is the same for multiple providers (e.g., clinic name, address and phone number)
can be entered once by a practice manager, rather than having to be entered repeatedly for each individual provider. Please refer to Chapter 7: Importing Data from the Practice Manager Module for more information regarding this functionality.

System Security

The confidentiality and security of provider information and the privacy of system users are critical priorities for CAQH. CAQH has implemented information security policies, standards, guidelines, processes, procedures, and best practices to strengthen its security program and to protect its information assets. CAQH ProView is designed to be compliant with laws and regulations relating to the privacy of individually identifiable information.

The CAQH ProView solution is housed in secure datacenters where multiple physical and electronic safeguards are implemented. Secure Internet access to application screens, use of passwords and certificates are used to help ensure only authorized use of the system. Powerful Transport Layer Security (TLS) encrypts the data in transition; the database content is also encrypted at rest and in backup to prevent unauthorized access to CAQH ProView. Only authenticated users have access to their restricted data. Virus detection mechanisms are used to help ensure that the database and the websites are free of viruses. Routine encrypted back-ups protect volatile system data and are secured in an off-site storage facility.
CHAPTER 2: Registration

Registration is required for all providers to obtain access to CAQH ProView.

**New Users**
If you received an introductory email from CAQH ProView, select the link contained in the email to begin the registration process using the CAQH ID provided. Refer to “Creating a CAQH ProView Account” on page 6 of this guide for the next steps in the process.

**Existing Providers**
For providers who were previously registered, go to CAQH ProView at https://proview.caqh.org/pr. You can initially sign-in with CAQH ProView by entering your existing UPD username and password and clicking “Sign in”. You may be prompted to update your username and password at this time. Refer to “Creating a CAQH ProView Username and Password” on page 7 of this guide for the next steps in the process.

![CAQH ProView Welcome](image-url)
Self-Registration

If you have not received a Welcome Letter, you may begin the self-registration process by accessing CAQH ProView at [https://proview.caqh.org/pr](https://proview.caqh.org/pr) and clicking on “Register”. The “Getting Started” page will display and will provide you with additional tips on how to get started. Click on “Go to Next Section” to continue with the registration process.
To establish a CAQH ProView account, you will be required to enter your NUCC Grouping, Provider Type, name, address, primary practice state, birthdate, email address, and the following personal identification numbers: Social Security Number, NPI Number, DEA Number, License State, and License Number. If you do not have an NPI, a DEA or a License, you may click their corresponding checkboxes indicating you don’t have them and click Continue. You will then receive an email with your CAQH Provider ID and a link to complete your provider registration.

**FIGURE 03**
Creating a CAQH ProView Account

New CAQH ProView users who either self-register with the system or who are added to the system by an organization, will receive an email from CAQH ProView containing a CAQH Provider ID and a link to create a CAQH ProView account.

Upon selecting the link from the e-mail, you received, you will be directed to the page shown below. Enter your CAQH Provider ID and select “Continue”.

At the next screen, enter your personal identification number(s) to proceed with creating your ProView account. Select “Continue” to proceed.
Creating a CAQH ProView Username and Password

CAQH ProView users may be asked to create a new username and password to meet CAQH ProView requirements. Usernames in CAQH ProView must consist of 8 characters and can be any combination of numbers and/or letters. Special characters like # or @ are not allowed.

CAQH ProView users will also be asked security questions to facilitate account access in case of a forgotten username and/or password. Select three security questions and provide unique answers for each. By checking “I Agree” at the bottom of the page, you adhere to the terms and conditions, which can be accessed by selecting the “See Terms and Conditions” hyperlink. Then select “Create Account”.

FIGURE 06
Create a ProView Account
Please fill in the fields below to continue registration

Please enter the following personal identification number:

Social Security Number  NPI Number  DEA Number
License Number  UPIN  TIN

FIGURE 07
Establish Your CAQH ProView Account
To set up your CAQH ProView account, please enter a username, password, and answer the security questions below.

Please enter a username
Your username must be at least 8 characters. It can be made up of numbers and/or letters, but it cannot include special characters like @ or #.

Username

Please enter a password
Your password must be at least 8 characters and cannot be the same as your username. If your old password meets these requirements, you may enter it here.

Password
Re-enter Password
Click “Create Account” and you will receive confirmation that your CAQH ProView registration was successful.

Retrieve Username

1. If you have forgotten your username, go to CAQH ProView login page and click *Forgot Username*. 

---

**FIGURE 08**

---

**FIGURE 09**

---

**FIGURE 10**
2. You will be prompted to enter your CAQH Provider ID number to retrieve your username. Your CAQH Provider ID number is the unique identifier assigned to you in CAQH ProView at the time of registration. Enter your CAQH Provider ID number. Click the checkbox indicating that you have read and agree to the CAQH Terms of Service.

3. Click the checkbox to confirm you are not a robot. You’ll be asked to select images based on the instructions shown on the page, then click Verify.
This page also shows some tips for troubleshooting.

4. Click Continue. Your username will be displayed on the screen together with your CAQH Provider ID number and the primary e-mail address listed on your account. You have the option to save it as a PDF file. If you know your password and you’d like to proceed to the sign-in page, click “Log In”.

---

This is the right place to get your username. Help us find your account by providing the CAQH Provider ID.

Enter your CAQH Provider ID
13515114

Your CAQH Provider ID is the unique identifier assigned to you in CAQH ProView at the time of registration.

I have read and agree to the CAQH Terms of Service.

I’m not a robot

Tips and Troubleshooting

Check that you are at the right login page.
- Are you a Practice Manager? Please login here.
- Are you a Participating Organization? Please login here.

Check your CapsLock Key. Fields are case sensitive.

Are you a provider registered through the American Dental Association? Please click here to login to your ADA account.

---

**FIGURE 14**

Account confirmed!
Your username is finland1227.
Reset Password

1. If you have forgotten your password and need to reset it, you may click the *Forgot Password* button from the screen above or the *Forgot Password* link on the log-in page.

**FIGURE 15**

**CAQH ProView Reference Material**
- Provider Quick Reference Guide
- Dentist Quick Reference Guide
- Provider User Guide
- WebIS Single Sign-on for Dentists
- WebIS Practice Location Reconciliation
- WebIS Providers - Get Started with CAQH ProView

**FIRST TIME HERE?**
1. Dentist: Sign in or register for the first time at the American Dental Association's portal. Register on ADA
2. If you received a welcome email, use the link in your email to begin the sign in process.
3. If you were not registered with CAQH UPD and are new to CAQH ProView: Register Now

Practice Manager: Sign In
- Participating Organization: Sign In

**Note:** If you entered an incorrect password and clicked “Sign In” five times, you will be redirected to the Forgot Password page. You have the option to either reset your password or go back to the log-in page to enter the correct password.

2. You will be prompted to enter your username to be able to proceed. Click the checkbox indicating that you have read and agree to the CAQH Terms of Service, then click Continue.

**FIGURE 16**

![Forgot Password Screen](image)
3. You will be directed to a page where you need to enter your full e-mail address based on the hint shown on the screen. The e-mail shown here is the primary e-mail address on your CAQH ProView profile where email notifications and reminders are sent. Click *Continue*.

An e-mail containing a link which will allow you to reset your password will be sent to the primary e-mail address we have on file.

---

**FIGURE 17**

Send password reset link to my email
Enter your primary email address shown below to receive an email with the link to reset your password.

![Send password reset link to my email](image)

Enter the full email shown in the hint above

![Change Primary Email](image)

---

**FIGURE 18**

Your information has been sent!
We’ve sent your password reset link to your primary email cristina.a.dipay@accenture.com.

![Your information has been sent!](image)
Reset Password

1. If you are trying to reset your password and you don’t know or don’t have access to the primary e-mail address on file, click the *Change Primary Email* link.

![FIGURE 19](image)

2. You will be directed to a quick security check. Answer any three questions on the page. You will be able to click the *Continue* button found at the bottom of the page only if three questions were answered.

![FIGURE 20](image)
3. You may enter the last four digits of your Social Security Number. If you have a Board Certification, click the radio button for “I have Board Certification”. You will be asked to enter your Provider Type and the Name of Certifying Board. You may also enter your Professional Liability Insurance Expiration Date and/or your Professional Liability Insurance Policy Number. The policy number must be entered exactly as it is shown on your policy face sheet. This may include alphabetical and special characters, as well as leading zeros. Once any three questions were answered, the Continue button will turn red and you will now be able to click it. Click Continue.
4. If the details that you have entered during the verification process do not match the details on the profile, you will be prompted with a message that says “Sorry, we could not verify your account based on the information provided. Please try again!”

5. If you have passed the verification process, you will be directed to a page where you can enter the new primary e-mail address you would like to use for your account.
6. We recommend that you use an e-mail that you check regularly. Please note that once this change is made, your profile will be permanently updated and all CAQH notifications will be sent to this new e-mail address. Click Save.

7. An e-mail containing a link which will allow you to reset your password will be sent to the new primary e-mail address.

**Note:** The new e-mail address will be reflected on your profile only after you click the password reset link sent to the new e-mail address.
Forgotten or Unknown CAQH ID Number

1. If you cannot proceed with the process of retrieving your username or resetting your password because you do not know your CAQH Provider ID number, click the **Forgot CAQH Provider ID** link found at the bottom of the Forgot Username page.

2. To help us find your account, enter your first and last name (do not include your title, degrees, prefix or suffix). Enter your Individual or Type 1 NPI or your date of birth. Answer the question “Are you a Doctor of Dental Medicine (DMD) or Doctor of Dental Surgery (DDS)?”. Click the checkbox indicating that you have read and agree to the CAQH Terms of Service, then click **Continue**.
If the information that you have entered does not match your account details, you will be prompted with a message saying, “Sorry, we could not find an account that matched your information. Please try again!”

**FIGURE 29**

Help us find your account

Please provide this information to help us find your account.

1. Please tell us your name.
   - Provider First Name
   - Provider Last Name

2. Please answer one of the questions below based on the information in your Proview profile.
   - Individual (Type 1) National Provider Identifier (NPI)
   - Provider Birth Date

3. Are you a Doctor of Dental Medicine (DMD) or Doctor of Dental Surgery (DDS)?
   - Yes
   - No

I have read and agree to the CAQH Terms of Service.

Continue

Need further assistance? Contact CAQH.

If your account matched the details that you have entered, you will be directed to a quick security check.
3. Answer any three questions on the page. You will be able to click the Continue button found at the bottom of the page only if three questions were answered. You may enter the last four digits of your Social Security Number. If you have a Board Certification, click the radio button for “I have Board Certification”. You will be asked to enter your Provider Type and the Name of Certifying Board. You may also enter your Professional Liability Insurance Expiration Date and/or your Professional Liability Insurance Policy Number. The policy number must be entered exactly as it is shown on your policy face sheet. This may include alphabetical and special characters, as well as leading zeros. Once any three questions were answered, the Continue button will turn red and you will now be able to click it. Click Continue.

If the details that you have entered during the verification process do not match the details on the profile, you will be prompted with a message that says “Sorry, we could not verify your account based on the information provided. Please try again!”
If you have passed the verification process, your CAQH Provider ID number will be displayed on the screen. You can now proceed with retrieving your username.
New!

Check for a CAQH ID

This new feature allows providers to self-lookup a CAQH Provider ID directly in the Provider Portal.

When using this functionality, you will be redirected to the enhanced Provider Self Registration page where you will enter your personal information to receive your CAQH account information if one already exists.

If the updated Provider Matching Logic confirms a profile match, the retrieved CAQH ID will be displayed and will allow you to take the appropriate next steps.

If the existing account has username and password already set up, the screen will show the following: Username, CAQH ID Number, and primary e-mail address.
If the existing account doesn’t have a username and a password set up yet, the user will be directed to this page showing the CAQH ID number and a Continue button that will let you set up your username and password and security questions and answers.

**FIGURE 36**

Enter your personal identification number/s in the field/s on the screenshot below.

**FIGURE 37**

Click Continue to proceed to the page where you can set up your username and password and security questions and answers.
FIGURE 38

Establish Your CAQH ProView Account

To set up your CAQH ProView account, please enter a username, password, and answer the security questions below.

Please enter a username
Your username must be at least 8 characters. It can be made up of numbers and/or letters, but it cannot include special characters like @ or #.

* Username

Please enter a password
Your password must be at least 8 characters and cannot be the same as your username. If your old password meets these requirements, you may enter it here.

* Password

* Re-enter Password

If you have trouble completing this section, you may have browser issues. ProView is not compatible with some versions of Internet Explorer 8. For the best user experience, please upgrade your browser.

* Security Question 1:

--Select--

* Security Answer 1
CHAPTER 3: Home Page

You will see the CAQH ProView Home page after a successful login.

Broadcast Message feature has been added to the CAQH ProView Provider, Practice Manager, and Participating Organization portal. Broadcast Messaging will allow CAQH to communicate upcoming system updates and/or to report system-wide issues to all users.

Whenever there is a published broadcast message, a pop-up message will appear on your screen when you log in to your CAQH ProView account.
If you click the ‘X’ located at the top, the pop-up message will close but will re-appear upon your next log-in.

If you click the Dismiss button, the pop-up message will close and will NOT appear with future log-ins. If you clicked the Dismiss button and would like to view the broadcast message again, click on the CAQH ProView Provider Update link found above your name.

**Note:** The link to the CAQH ProView Status Updates will be found in the pop-up message.

**Tip:**
- If you need assistance on the Home Page, you can access the “Help” link that is displayed in the top right-hand corner on the Home Page.
The Home page displays five components:

1. **Profile Summary**
   - Provides a summary of your key profile information, such as your CAQH Provider ID, any outstanding required fixes that need to be made to your data profile, and your primary practice state. You can also easily access a “Change Password” button here to change your password if necessary.

2. **Message Center**
   - Displays information relevant to your account, information from CAQH and actions required. This also displays any notifications from CAQH regarding missing or expired documents.

3. **Supporting Documents**
   - Provides links to any supporting documents that have been uploaded to your profile.
   - Displays the approval status of your supporting documents.
   - If you have questions on uploading your documentation, refer to *Chapter 6: Uploading Supporting Documentation*.

4. **Attestation History**
   - Provides a record of your attestation history.
   - Attestation is the term used to show you certify that you have carefully reviewed all information contained within your CAQH data profile and that all information provided by you is true, correct and complete to the best of your knowledge. You also acknowledge that your CAQH data profile will not be considered complete until supporting documentation and signed Authorization, Attestation and Release Form are submitted.

5. **Available Imports.**
   - Displays any sections containing data available for import into your data profile. With CAQH ProView, practice managers have the capability to enter information on your behalf and then export that information for your access and to ease your data entry requirements. You will have the option to import any available data as a new set or replace an existing set of data within the section. You also can compare your existing data to the data entered by a practice manager before you choose to import the data.

In addition, to these components, across the top of the home page is a navigation menu, which allows you to navigate to four sections to complete your profile information:

- **Profile Data** – Click this tab to enter your profile information (See Chapter 4)
- **Documents** – Click this tab to review your supporting documents (See Chapter 6)
- **Authorize** – Click this tab to view the list of the organizations that have requested authorization to view your CAQH ProView self-reported information
- **Review & Attest** – Click here to review the information you have entered and correct any required errors (See Chapter 5) and attest to the accuracy of your information (See Chapter 8)
Status Bar

A status bar is also available at the top of the screen. The status bar will help you identify what actions need to be taken on your profile for your authorized organizations to receive your up-to-date information.

The Status Bar shows three elements:

- Provider Status with ‘as of’ date
- Profile Data: Complete/Incomplete
  - The status ‘Complete’ is displayed if you have successfully completed all required fields in the sections listed on the left-hand side navigation.
- Documents: Complete/Incomplete
  - The status ‘Complete’ is displayed if ALL the required supporting documents have been provided and are current according to requirement rules.

Attest Reminder Bar

- After you update any information in your profile, you must complete attestation so that your authorized organizations can view your updated profile.
- A reminder message will appear across the top of the page on every page only after you have changed one or more piece of data and have not attested to that change.
- This message will disappear only after you have attested but would re-appear if you changed more data and did not re-attest.
- This message will also appear if CAQH has updated a relevant domain table value.
Attest Button in Navigation Bar

- The ‘Attest’ navigational element is now moved to the far-right position.
- If you have never attested or have previously attested and have unattested data, the ‘Attest’ navigational element will show as a red button.
- The ‘Attest’ navigational element will also show as a red button when you are NOT in the following status:
  - Initial Profile Complete
  - Re-attestation

Activity Log
From the Home Page, you can access the “Activity Log” from the top right navigation drop-down menu.
The Activity Log lists all recent activity that has occurred in your account, including recent log-ins, re-attestations, and data updates.

**FIGURE 47**

![Activity Log Screenshot]

**Note:**

- All changes on the profile will ONLY appear on the Activity Log after you have completed the re-attestation.
- Any changes done after the re-attestation will not be reflected on the Activity Log unless you complete the re-attestation again after making the additional changes.
- If after the re-attestation these changes are still not reflected on the Activity Log, sign out from CAQH ProView and log in again and go to Activity Log. The details of the changes should appear on this page of your profile.
- Changes on the Documents section and Authorization page will reflect on the Activity Log even if you have not yet re-attested.
CHAPTER 4: Completing Your Profile Information

CAQH ProView will guide you through the process of completing your information and managing your profile data and supporting documentation. From the Home Page, click on “Profile Data” on the top navigation bar to begin the process.

Tips:
1. Throughout the system, required fields are indicated with a red asterisk (*).
2. If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
3. Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
4. It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.

FIGURE 48

Clicking on “Profile Data” shows a drop-down list of 12 Sections: Personal Information, Professional IDs, Education, Professional Training, Specialties, Practice Locations, Hospital Affiliations, Credential Contacts, Professional Liability Insurance, Employment Information, Professional References, and Disclosure. They are described in further detail below. Questions presented to you may vary based on your primary practice state.

Personal Information

The Personal Information section requests basic information such as name, phone numbers, and contact information. Some information on this screen may be pre-populated based on the information you entered during the self-registration process.
Additional information or tips are provided below as applicable to assist you with completing these fields.

**Tips:**

1. If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
2. Use “Save & Continue” to save the changes made on the page and move to the next section.
3. It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.

**FIGURE 49**

PERSONAL INFORMATION

* Required fields are indicated with a red asterisk. All other fields are optional.

**Profile Setup**

Please confirm your NUCC Grouping, Provider Type, Practice Setting, and Practice State so that your CAQH ProView profile can be customized for your situation. The answers you provide will determine which fields display and are required.

* **NUCC Grouping**
  
  Dental Providers

* **Provider Type**
  
  Doctor of Dental Medicine (DMD)

* **Practice Setting**
  
  Inpatient/Outpatient or Outpatient Only

* **Primary Practice State**
  
  TX

Additional Practice State(s)

---

**New!** The Personal Information page has been redesigned to improve CAQH ProView user experience for all providers.

- Profile Set Up (previously Provider Information)
  - New providers will be asked to enter their NUCC Grouping. The Provider Type, Specialties and Certifying Boards will now be based on the NUCC Grouping that you have selected.
Existing providers will see NUCC Grouping populated with a value that was based on the existing specialty on the profile. If you have not previously entered a Specialty, the NUCC Grouping showing on your account was based on your Provider Type.

Providers who have not previously entered their Specialty nor their Provider Type will see a blank field for NUCC Grouping. This field will appear on the Correct Errors page as a required fix.

Provider Type Not Listed has been added to the dropdown for the Provider Type field. Select this value only if your provider type is not in the options.

When entering Additional Practice States, click the multi-selection dropdown. A list of practice states will be displayed alphabetically. Click the checkbox of the state/s that you want to add as other practice state/s. To remove a state, click the X button next to the state.

Your NUCC Grouping, Provider Type, Practice Setting, and Practice State will drive the questions presented to you throughout CAQH ProView’s profile sections. If you practice in multiple states and one of those states includes a state specific credentialing application, the state specific questions and the CAQH ProView standardized questions will be presented to you in one integrated flow throughout the system. You will be required to complete all required questions for both the CAQH ProView standardized profile questions as well as any state specific questions.

- **Address**
  - If you have previously entered details, the Home Address and the Mailing Address will display in expanded view.
  - **Home Address**
    - Not required to complete your application; however, hospitals have identified that this information adds value in confirming your accessibility to the hospital.
    - Click the Add button should you wish to add your home address.
  - **Mailing Address**
    - Enter the "Mailing Address" of the physical location of your practice. If you do not have a physical practice location, you may enter a P.O. Box; however, it is important to note that health plans intend to use this information for their directories. If you would like to enter a P.O. Box for the billing address, please enter this information in the Billing Contact section.
    - Click the Add button to add your mailing address.
    - If your mailing address is the same as your home address, click the checkbox for “Mailing address and home address are the same.”
Contact Information

The additional e-mail fields will only display in expanded view if you have previously entered details on these fields. Otherwise, only the required field Primary E-mail will be displayed.

- Primary E-mail – Important system reminders will be sent to this e-mail address, so be sure to keep this information current.
- Additional E-mails – You may enter additional e-mail addresses, in case you use other professional e-mail accounts or have staff that maintains your profile.
  - Additional E-mail 1 – You may use this field for your personal e-mail address.
  - Additional E-mail 2 – If you have previously entered an e-mail address as PMOC CC Email 1, that e-mail address will appear on this field.
  - Additional E-mail 3 – If you have previously entered an e-mail address as PMOC CC Email 2, that e-mail address will appear on this field.
- Provider’s Phone Number – Click the Add button to add your phone number. Existing providers who have previously entered their phone number, that details will be displayed on this field.
Personal Identification Numbers

- Your Social Security Number is required to complete the application.
- NPI – National Provider Identification Number
  - This is a provider’s Type 1 National Provider Identifier. It is a unique, 10-digit identification number issued to health care providers by the Centers for Medicare and Medicaid Services (CMS).

**Note:** All Type 1 NPIs will undergo validation. A Type 1 NPI is validated against the provider name and number in the NPPES (National Plan & Provider Enumeration System). Registry validation failures will be displayed as an error on the Personal Information page and as a required fix on the Correct Errors page.

*FIGURE 52*
You may see the following errors on the Required Fixes page:

- **This NPI number cannot be found in the NPPES NPI Registry.** – This means that the Type 1 NPI that entered in ProView is an invalid one. Please review for any possible typo error.

- **This is an Organization (Type 2) NPI. Please enter an Individual NPI.** – You may have entered a Group NPI in the Individual NPI field. Please review the value that you have entered in the Individual NPI field.

- **The name associated with this Individual NPI number in the NPPES Registry does not match the names associated with your ProView account.** If this is your NPI, please make sure your Name or Other Name in ProView matches the name associated with your Individual NPI in the NPPES Registry. – Please review the Individual NPI that you have entered. There might be a typographical error that has caused the mismatch.

For Providers whose Provider Type is either MD, DO, NP, or DMD with Inpatient/Outpatient or Outpatient Only as the Practice Setting, the Primary Practice State and each of the other Practice States (in case of multi-state Providers) should have a matching value populated for the State field in the General information section for any active Practice Location (where you answered Yes to the question: *Do you practice at this location?*). There will be an error for each Practice State that does not match an active Practice Location.

**FIGURE 53**

On the screenshot above, the practice state on the account is Colorado but there is no active practice location in Colorado listed in the profile. The Provider is required to either add an active practice location in Colorado or remove Colorado as a primary practice state, whichever is applicable.

- The **Update Practice States** hyperlink in the error links to the Personal Information Page. Once the user has clicked the hyperlink, the following error is displayed on the top of the Personal Information Page, in red text:

  *You have selected {Primary Practice State or Practice State} as a practice state but you have not indicated that you practice at a location in {Primary Practice State or Practice State}. Please add a practice location in {Primary Practice State or Practice State}.*
Practice State or Practice State} or remove {Primary Practice State or Practice State} as a practice state.

If you add a practice location to match the Practice State, and click "Save and Continue", you will be redirected to the Correct Errors Page and will no longer see the error.

The Ignore hyperlink in the error links to the Ignore pop-up that already exists for Address Standardization. The pop-up should have the same functionality, i.e., if the user clicks the "Yes" button, the error is removed from the Correct Errors Page.

You are required to either fix the error or click Ignore and then click "Yes" in the pop-up so that the error disappears on the Correct Errors Page, and you will be able to attest.

Editing SSN and DOB
With the aim of providing enhanced security for provider profiles, CAQH ProView has been updated with Lock Provider Demographic Information functionality. This document provides guidance on when you can edit your SSN and DOB

Below are the details of the changes:

- Providers who have attested for the first time and thereafter will no longer be permitted to change their Social Security Number and Date of Birth. The SSN and DOB fields will be read-only after the first attestation.
FIGURE 55

Personal Identification Numbers

* Social Security Number
546-81-5117

* Individual NPI
The Individual (Type 1) NPI is used by Participating Organizations and other entities to accurately and efficiently identify you. If you do not know your NPI or you need to request one, visit the [NPPES NPI Registry](#).

Professional IDs

The Professional ID section requests that you enter all professional identification numbers and upload any applicable supporting documentation. If you have questions on uploading your documentation, refer to Chapter 6: Uploading Supporting Documentation.

Tips:

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter additional medical licenses or other professional identification numbers.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

New! The Professional IDs page has been redesigned to improve CAQH ProView user experience for all providers.

The following professional identification numbers are requested.

- Medical License
  - You must enter all state medical licenses you currently hold or have held as issued by a U.S. or Canadian licensing authority.
You will only be allowed to enter numbers, letters, dashes and periods in the License Number field.

Professional licenses will be displayed in the form of a grid displaying the License State, Currently Practicing (Yes or No), License Number, and Expiration Date.

Click the Edit link to update the license details.

Click the Delete link to remove the license record.

Click the Add button to add a professional license record.

**FIGURE 60**

Professional License
Please add a license number for each of the practice states you listed in the Personal Information section of your profile.

- USMLE – United Stated Medical Learning Examination
  - The United States Medical Learning Examination is a physician assessment required for physician licensing in the United States.
**Education & Professional Training**

*New!* The Education section and the Professional Training section have been combined to improve CAQH ProView user experience for all providers.

"Education and Professional Training" will replace the "Education" and "Professional Training" menu items in the drop down under "Profile Data" at the top of the page and on the left navigation menu.

**FIGURE 65**

![Diagram showing the Education & Professional Training section]

The Education information will be placed at the top section of the page. The Education section requests information regarding your education history, including your professional and undergraduate school information.
Tips:

- If you need assistance, please access the “?” link that is displayed on the right-hand side of the screen.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Click on “Add” to add additional education record as necessary.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.
When you add a new record or access an existing record, you will see a new “Education Type” field. Beneath this field, there are 3 radio buttons for Undergraduate, Professional School, and Fifth Pathway.
When creating a new education record, the Education Type Name value will default to Professional School. Hover over the tooltip for additional information and instructions.

When creating a new education record, the country should default to United States. If you select Fifth Pathway as the Education Type, United States should be the only option. When you select Undergraduate as the Education Type, no fields are required.

**Note:** Providers who have previously saved education records will not be subject to additional field requirements.

**Professional Training**

The Professional Training subsections are listed below:

- **Internship**
  - Include any incomplete internship programs.

- **Residency**
  - Include any incomplete residency programs.
  - If your training program was Rotating or Transitional, please enter a separate entry for each rotation. For credentialing, the health plans need to know the specifics of each rotation including the specialty or department and the time associated with each.

- **Fellowship**
  - The period of medical training in the United States and Canada that a physician or dentist may undertake after completing a specialty training program (residency)

- **Faculty Positions/Academic Appointments**
Click the Add button to add a Professional Training record.

**FIGURE 70**

**EDUCATION & PROFESSIONAL TRAINING**

- Required fields are indicated with a red asterisk. All other fields are optional.

**Education**

- Please enter at least one education record

**Professional Training**

Please enter information about your internship, residency, or other training programs. Please be specific as possible when entering contact information as it will be used by your authorized health plans/organizations to verify your training.

- Enter a professional training record

Have you completed cultural competency training?

Cultural Competence Training, often referred to as cultural and linguistically appropriate services (CLAS), can help reduce health disparities and improve health equity. To find training opportunities, [click here.](#)

**Save**

**Save & Continue**
If there are existing records for these 2 sections, the user shall be able to Edit or Remove the existing record/s.
• The user must have at least 1 education record.
• The Degree will be displayed on the left side of the card instead of the Education Type name value (Undergraduate, Professional School, and Fifth Pathway)
• Fifth pathway will be displayed as a tag in the card.
• The cards will be displayed in reverse chronological order of the end date for the education and professional training. The record with the newest end date is displayed first.
• All education/training records without an end date will be displayed in the end, in the reverse chronological order of creation date. The last record created is displayed first.
• The portal will display the Training Type (Internship, Fellowship, Residency, and others in the Professional Training tile.)

Specialties

The Specialties section requests information regarding your specialties and certification information. Specialties and Certifying Boards are based on the NUCC Grouping that you have selected in the Personal Information section.
Tips:

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Click on “Add” to add additional specialties as necessary.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

Note: Providers whose provider type is either MD, DO, DDS, or DMD will be required to select a primary specialty.

**FIGURE 74**

SPECIALTIES

* Required fields are indicated with a red asterisk. All other fields are optional.

**Primary Specialty**

- Primary Specialty
  - [Select]

Board certification requirements go above and beyond state licensing requirements. The “Board Certified” title recognizes providers that acquired certification to demonstrate an expertise in a particular specialty. This certification process is voluntary and not to be confused with the examinations taken to meet the requirements needed to apply for a license to practice in your state.

- Board Certified?
  - Yes
  - No

Do you wish to be listed in the directory under this primary specialty?

- Yes
- No
  - HMO
  - PPO
  - POS
You are now asked to respond to this question: *Does your board certification have an expiration date?*

If you responded with a Yes, the Expiration Date field and the last Recertification date fields will be required.

The specialties that are included in the drop-down list are collected from the National Uniform Claim Committee (www.nucc.org). If you cannot locate your specialty in this list, select the specialty that is most appropriate for your practice. If your specialty is not listed, you may enter it in the “Areas of Other Interest”, which is towards the bottom of the “Specialty” page.

The subsections are listed below and may vary based on your practice state.

- Primary Specialty
- Secondary Specialty
- Additional Specialty
- Board Examination – dynamically displayed/hidden based on your entries
- Certifications – The system will ask if you have received any of the following certifications. Additional information regarding each certification is provided below for your reference.
  - **CPR - Cardio-Pulmonary Resuscitation certification**: Community level classes concentrate on performing CPR on adults and older children. Some also include AED training, which teaches how to use the electronic
defibrillation unit on heart attack victims. Professional level classes are designed for health care professionals, ski patrol, police, firefighters and emergency medical technicians. These classes teach all the skills previously mentioned, as well as removal of airway obstructions for victims of all ages. Other skills are also included in these classes, including inserting tubes to keep the airway open, using an oxygen tank, artificial breathing apparatuses and techniques for performing two-person CPR.

- **BLS - Basic Life Support Certification:** Basic Life Support (BLS) certification is a relatively short training course required of many health professionals to help revive, resuscitate, or sustain a person who is experiencing cardiac arrest or respiratory failure of some sort. This could include a drowning victim, heart attack or stroke patient, or any scenario where breathing or heartbeats have been compromised.

- **ACLS - Advanced Cardiovascular Life Support Certification:** ACLS is an acronym for Advanced Cardiovascular Life Support. This certification is required of many healthcare providers who will be interacting with patients. Like its name implies, ACLS is usually required of more advanced medical professionals, as it does include some invasive procedures, unlike Basic Life Support (BLS), which is required of almost all healthcare professionals.

- **ALSO - Advanced Life Support in OB Certification:** Advanced Life Support in Obstetrics (ALSO®) is an evidence-based multidisciplinary training program that prepares maternity health care providers to better manage obstetric emergencies when and wherever they occur. ALSO’s evidence-based learning path bridges knowledge gaps and boosts skill sets using a team-based approach, hands-on training, and mnemonics to reduce errors and save lives.

- **Health Care Provider (Core)**

- **ATLS - Advanced Trauma Life Support Certification:** Advanced Trauma Life Support (ATLS) is a training program for medical providers (MD/DO/DPM/PA/NP/CO) in the management of acute trauma cases, developed by the American College of Surgeons. Similar programs exist for nurses (ATCN) and paramedics (PHTLS). The program has been adopted worldwide in over 60 countries, sometimes under the name of Early Management of Severe Trauma (EMST), especially outside North America. Its goal is to teach a simplified and standardized approach to trauma patients. Originally designed for emergency situations where only one doctor and one nurse are present, ATLS is now widely accepted as the standard of care for initial assessment and treatment in trauma centers. The premise of the ATLS program is to treat the greatest threat to life first. It also advocates that the lack of a definitive diagnosis and a detailed history should not slow the application of indicated treatment for life-threatening injury, with the most time-critical interventions performed early.
- **NRP – Neonatal Resuscitation Program certification:** NRP was developed and is maintained by the American Academy of Pediatrics. This program focuses on basic resuscitation skills for newly born infants.

- **NALS - Neonatal Advanced Life Support certification:** NALS training, administered by the American Academy of Physician Assistants, delivers the same syllabus as NRP, has similar flexibility in its format, and equips trainees with identical knowledge and skills.

- **PALS - Pediatric Advanced Life Support Certification:** The PALS Course is for healthcare providers who respond to emergencies in infants and children. These include personnel in emergency response, emergency medicine, intensive care and critical care units such as physicians, nurses, paramedics and others who need a PALS course completion card for job or other requirements.

- **Anesthesia Permit**

  - Other Interests
  - Professional Associations: A professional association or professional society is usually an organization seeking to further a particular profession and the interests of individuals engaged in that profession. This is the section where you specify which Medical Professional Associations and Societies you are affiliated to. You can add more than one association to the list.
The Special Experience, Skills and Training subsection previously was only available to providers completing the MA application. Beginning June 8, 2020, all applications will include Special Experience, Skills and Training under Specialties section.

Practice Location

The Practice Location section asks for detailed information regarding your practice location(s).

A Practice Location summary table will be displayed on the Practice Locations start page.

- The table contains the following column headers:
  - Physician Group/Practice Name
  - Tax ID – All Tax IDs associated with the practice location will be displayed with a line break.
  - Location – displays the general address and phone number for the practice location; Address 1 and Address 2, City, State ZIP, Phone
  - Actions – Edit and Archive

FIGURE 78

PRACTICE LOCATIONS

Please add practice location information for each practice at which you currently, or will in the near future, see patients, fill in for other providers, read tests, or provide other services. If you do not practice at a location that appears in the list, please click Edit to update your status.

Make sure to enter all group/practice information in the Employment Information section of your profile.
If you have not indicated your affiliation with this location, the following will appear in red font in the Physician Group/Practice Name column: “Click “Edit” to update your practice location status.”

The Help text on the Practice Location start page will guide you through completing this section of your application.

**FIGURE 81**

![Practice Locations Table]

**Tips:**

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter information for a practice location.
- Select “Edit” to edit the information within a practice location.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.
New! The Practice Locations page has been redesigned to improve CAQH ProView user experience for all providers. There were 6 tabs within the practice location record namely General Information, Hours, Coverage & Contact, Practice Limitations, Accessibility, and Services. We have compressed them into 3: Practice Details, Provider at the Location, and Services and Resources.

Practice Details

The Practice Details tab includes the following:

- Practice Location Name - the practice name that is referenced when a patient calls to make an appointment
- Location Address - the exact address that patients use to find the practice and the address the plans often publish in their directories; this includes the following: Street1, City, State, Zip Code, Country, County, Practice Location E-mail Address, and Practice Location Website

ALL practice location addresses in your profile will undergo USPS address standardization. When you edit or add an address, you will be asked to confirm whether the suggested address is correct.

Note: PO Box information will not be accepted on the practice location address fields. Valid characters for Practice Name/City and Street 1 & 2 are limited to space, Aa-Zz, 0-9, and the following special characters # - . , '/&.

FIGURE 82

<table>
<thead>
<tr>
<th>Location Address</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provide the exact address that patients use to find this practice. Plans will often publish this address in their directories.</td>
</tr>
</tbody>
</table>

- Street 1
  (Example: 123 Main st., 123 Main Street NW)

Peach St %

Valid characters for this field are a-z, 0-9, and the following special characters (# - . , '/&).

- I have a Building, Suite, or Office to add

- City
  Angels

- State
  CA

- Zip Code
  26208-2082

- Country
  United States

- County
  --Select--

- Practice Location Email Address

- Practice Location Website
New! Providers with the NUCC Grouping of Behavioral Health & Social Service Providers will be allowed to indicate whether the practice location is virtual-only and that is never accessible to patients.

If you select the checkbox indicating the practice location is virtual-only, the Location Address such as Street 1, City, Zip Code, and Country will be removed retaining the State.
If you have indicated that the location is virtual-only, you will be required to enter the Mailing Address on the Services and Resources tab.

- Phone Numbers - the phone number that a patient uses to make an appointment. If the provider does not take appointments, enter the main number for the location.

Patients depend on the accuracy of provider directories when choosing a health plan and physicians. Inaccurate directories pose significant challenges for patients, contributing to delays in care, limiting choices of providers and masking problems with network adequacy.

In an ongoing effort to improve the accuracy of provider information listed within directories, CAQH ProView will ask providers to confirm that the phone number listed for each practice location is the primary method that patients may use when scheduling an appointment. If you do NOT take appointments, confirm that the phone number listed on the Practice Location section Office Phone Number field is the main number for the location.

<table>
<thead>
<tr>
<th>Location</th>
<th>Office Phone Number</th>
<th>Please confirm that this is the appointment phone number</th>
</tr>
</thead>
<tbody>
<tr>
<td>Makati Medical City</td>
<td>927-929-2727</td>
<td>Confirm</td>
</tr>
<tr>

<td></td>
<td></td>
</tr>
<tr>
<td>Angels, OH 12345-1234</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
If you click the Edit link, you will be taken to the Practice Details screen for that Practice Location.
If you click the Confirm link for a Practice Location, that line item will disappear from the Correct Errors page.

- Business Identifiers - includes the Legal Business name, the Tax ID, and the Type of Tax ID
- Organization (Type 2) NPI

**Note:** All Type 2 NPIs will undergo a one-time validation. A Type 2 NPI is only validating the NPI format. It is not validating practice name against the registry. Validation failures will be displayed as a required fix.

**FIGURE 87**

<table>
<thead>
<tr>

- Accommodations for people with intellectual/cognitive disabilities (e.g., on-site staff to explain instructions)
- American Sign Language
- Mental/Physical Impairment Services
- Other disability services
Provider at the Location

The Provider at the Location tab displays the following details:

- Affiliation - describes the provider's affiliation with the location; select your affiliation from the dropdown

Which value to choose from the options?

Option 1: *I see patients by appointment at least one day per week on a regular basis.*

This option would be appropriate when:

- this is your primary practice;
- a patient can make an appointment to see you at this location;
- you practice regularly at this location; or
- you have been hired at this location and have a start date in the near future.

Option 2: *I see patients by appointment at least one day per month, but less than one day per week on a regular basis.*

This option would be appropriate when:

- you work at this location on a seasonal or monthly basis;
• you have a regular routine where you see patients at this location infrequently but on a schedule; or
• you do not consider this your primary practice but you routinely see patients at this location and patients can even make an appointment.

**Option 3: I cover or fill-in for colleagues within the same medical group on an as needed basis.**

This option would be appropriate when:
• you see patients at this location on an on-call basis;
• you are part of a larger practice and usually practice at another location but might need to fill-in for a provider at this one; or
• you serve in an urgent care capacity within a practice where you do not take appointments at the location, but you deliver care.

**Option 4: I read tests or provide other services but I do not see patients at this location.**

This option would be appropriate when:
• you perform administrative tasks at this location but do not see patients; or
• you read tests for patients at this location but do not see patients.

**Option 5: I no longer practice at this location**

This option would be appropriate when:
• you left the practice all together and no longer practice at any locations affiliated with the practice; or
• you are still employed with the practice but have switched to a different location and will no longer submit claims for services rendered at this location

**Note:** If you choose "I no longer practice at this location." a new date selector field “End date” will appear.

• The field format should be MM/DD/YYYY in the portal.
• The date entered on the "End Date" field must occur after the date entered in the field "Provider's Start Date".
• You should remember to update the Employment Information section of your profile with this information.
Option 6: *I do not practice here, but the location is within the medical group with which I am employed*

This option would be appropriate when:
- You are employed by a large group and the practice manager for the group lists this location for you even though you would never submit claims to this location.

Option 7: *I never practiced here and have no affiliation with this location*

This option would be appropriate when:
- The practice location was entered by mistake.

Option 8: *This is a duplicate of an existing location*

Option 9: *Other*

This option would be appropriate when:
- your affiliation with the location is none of the values available.

**Note:** If you choose Other, a free form text box will appear to which you will be required to enter an explanation. If you are going to use this option, please make sure that a detailed explanation is entered. This information will be used to adjust our dropdown list values in the future.
Network Denial - displays a checkbox for "I have closed my practice to at least one plan or program"

Patients - The questions in this section pertain to your general activity and preferences at this location. They are not specific to your activity in relation to any health plan. This is also where you can indicate the types of patients accepted into the practice.

Practice Limitations - any restriction you have set on the gender or age of your patient population
  - Gender Limitations – Female Only or Male Only
  - Age Limitations - The value in the Age Maximum field must be greater than the value in the Age Minimum field. Otherwise, it will appear on the Correct Errors page.
  - Other Limitation

Save and Go Back | Save | Save & Continue
For Providers whose Provider Type is either MD, DO, NP, or DMD with Inpatient/Outpatient or Outpatient Only as the Practice Setting, each active practice location (where you answered Yes to the question: *Do you practice at this location?*) should have a matching Primary Practice State or Practice State on the Personal Information section. There will be an error for each active practice location that does not have a matching Practice State.

<table>
<thead>
<tr>
<th>Sub Section</th>
<th>Field</th>
<th>Error</th>
<th>Action</th>
</tr>
</thead>
</table>
| General Information | State | You have indicated that you practice at a location in Colorado but you have not selected Colorado as a practice state. Please select Colorado as a practice state or indicate that you do not practice at this location. | Update Practice Locations | Update Practice States  
Ignore |

On the screenshot the account has an active practice location in Colorado but Colorado is not selected as a Practice State in the Personal Information section. The Provider is required to either change the answer to the question “*Do you practice at this location?*” from Yes to No for this practice location record or archive the practice location record, or add Colorado as a Practice State.

- The Update Practice Locations hyperlink in the error is a hyperlink to the Practice Locations Home Page. Once the user has clicked the hyperlink, the following error is displayed on the top of the Practice Locations Page, in red text:

  You have selected *(Primary Practice State or Practice State)* as a practice state but you have not indicated that you practice at a location in *(Primary Practice State or Practice State)*. Please add a practice location in *(Primary Practice State or Practice State)* or remove *(Primary Practice State or Practice State)* as a practice state.
If you add the Practice State to match the active Practice Location, and click "Save and Continue", you will be redirected to the Correct Errors Page and will no longer see the error.

The **Ignore** hyperlink in the error is a hyperlink to the Ignore pop-up that already exists for Address Standardization. The pop-up should have the same functionality, i.e., if the user clicks the "Yes" button, the error is removed from the Correct Errors Page.

You are **required to either fix the error or click Ignore** and then click "Yes" in the pop-up so that the error disappears on the Correct Errors Page, and you will be able to attest.
To add a practice location to your profile, go to the Practice Location section of your CAQH ProView application. Click the Add button.

**FIGURE 101**

- Why was my hospital removed from the drop-down list?

Providers practicing in North Carolina will see an additional optional question which will be displayed below the Non-Admitting Affiliation records.

**FIGURE 122**

**Non-Admitting Affiliations**

Add if you are affiliated with a hospital, but you cannot admit. This may be called “courtesy” or “consulting” privileges at some hospitals. Please also enter in pending non-admitting hospital affiliations.

- Enter a non-admitting affiliation

Please explain any incident(s) in which you have involuntarily or voluntarily withdrawn your application for appointment, clinical privileges or reappointment before a decision was made by a hospital or healthcare facility’s governing board.
Admitting Privileges

To add an admitting privilege record for the first time, click the “Add button” beside the statement “Enter an admitting privilege.” You will be directed to a page where details of an admitting privilege record can be entered. Required fields are indicated with a red asterisk. All other fields are optional.

![Admitting Privilege Record Form](image)
There is a self-help option to answer the commonly asked questions for the Admitting Privilege records page.

**FIGURE 124**

*Admitting Privilege Record*

- Required fields are indicated with a red asterisk. All other fields are optional.

Please enter the details of your Admitting Privilege Record. An admitting privilege means that you have unrestricted, limited or temporary basis.

- **State**
  - [Select]

- **Country**
  - United States

- **Hospital Name**
  - [Select]

- **Is this your primary hospital?**
  - [Yes]
  - [No]

- **Admitting Privilege Status**
  - [Active]
  - [Inactive]
  - [Pending]

- **Start Date**
  - [MM/YYYY]

- **Admitting Privilege Type**
  - [Full and unrestricted]
  - [Temporary]
  - [Limited]

  You can only admit under certain circumstances or for certain conditions. This type does not include your specialty type.

- **What is the Admitting Privilege Status?**
  - Your Admitting Privilege Status is Active if you currently have privileges at this hospital. Your Admitting Privilege Status is Inactive if you previously had privileges, but no longer have privileges at this hospital. Your Admitting Privilege Status is Pending if you have applied for privileges, but have not yet been granted privileges at this hospital.

- **What is the Admitting Privilege Type?**
  - Your Admitting Privilege Type is Full and unrestricted if you do not have any limitations on number of patients you can admit, or on the frequency of admits. Your Admitting Privilege Type is Temporary if you currently have unrestricted privileges to admit patients, but the privileges are only valid until a certain date. Your Admitting Privilege Type is Limited if you are only admitted under certain circumstances or for certain conditions.

- **What if I don't know the exact percentage of my admissions per hospital?**
  - Exact percentages are not required. It is sufficient to estimate the percentages, provided your responses do not add up to more or less than 100%.

- **Why was my hospital removed from the drop down list?**
  - CAQH has adopted the American Hospital Association (AHA) to be the source of lists for hospitals and has updated the values in the Hospital Name list to reflect this. If the name of the hospital you wish to select is not in the list, please select "Other" and enter the hospital name.
Admitting Arrangements

To add an admitting arrangement, record for the first time, click the “Add button” beside the statement “Enter an admitting arrangement.” You will be directed to a page where details of an admitting arrangement record can be entered. Required fields are indicated with a red asterisk. All other fields are optional.

### FIGURE 125

**Admitting Arrangement Record**

* Required fields are indicated with a red asterisk. All other fields are optional.

### What is the Admitting Arrangement Status?

Your Admitting Arrangement Status is Active if you currently have an arrangement to admit to this hospital. Your Admitting Arrangement Status is Inactive if you previously had an arrangement to admit, but no longer have an arrangement at this hospital. Your Admitting Arrangement Status is Pending if your admitting arrangement is in process, but has not yet been finalized at this hospital.

### What if I have an Admitting Arrangement at multiple hospitals through the same provider or group?

Enter a different Admitting Arrangement for each hospital. You can answer with the same provider or group to the “Who admits for you?” question.

### Why was my hospital removed from the drop-down list?

CAQH has adopted the American Hospital Association (AHA) to be the source of truth for hospitals and has updated the values in the Hospital Name list to reflect this. If the name of the hospital you wish to enter is not in the list, please select “Other” and enter the hospital information.
Non-Admitting Affiliations

To add a non-admitting affiliation record for the first time, click the “Add button” beside the statement “Enter a non-admitting affiliation” You will be directed to a page where details of a non-admitting affiliation record can be entered. Required fields are indicated with a red asterisk. All other fields are optional.

There is a self-help option to answer the commonly asked questions for the Non-Admitting Affiliation records page.
A consolidated list of all the Hospital Affiliation records will be displayed in a summary table.

**FIGURE 129**

**HOSPITAL AFFILIATIONS**

* Required fields are indicated with a red asterisk. All other fields are optional.

If there are hospitals where you have current or pending admitting privileges, current or pending arrangements, or a different non-admitting affiliation, enter them below.

**Admitting Privileges**

Add if you can admit patients on an unrestricted, limited, or temporary basis. This also includes hospitals where you have pending admitting privileges.

- **Enter an admitting privilege**

**Primary Hospital**

- Adventist Health St. Helena
  - **Active**
  - Saint Helena, CA

**Admitting Arrangements**

Add if you have an admitting arrangement where another provider or hospitalist group admits for you. This also includes hospitals where you have pending admitting arrangements.

- **Enter an admitting arrangement**

**Non-Admitting Affiliations**

Add if you are affiliated with a hospital, but you cannot admit. This may be called “courtesy” or “consulting” privileges at some hospitals. Please also enter in pending non-admitting hospital affiliations.

- **Enter a non-admitting affiliation**

**Save and Go Back** | **Save** | **Save & Continue**

---

94 | Page
All admitting privilege records with “Is this your primary hospital?” answered with a Yes are marked with a backwards chevron with the white text “Primary Hospital” on the far left.

**FIGURE 130**

Within each record in the summary table is a gray “Remove” button which when clicked, will display the Delete pop-up message.

**FIGURE 131**

**Tips:**
- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter information for a hospital affiliation.
- Select “Edit” to edit the information within a hospital affiliation record.
• Select “Remove” to remove a hospital affiliation from your application. Please note that by selecting “Remove”, all information entered for that hospital affiliation will be deleted.
• If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

**Credentialing Contact**

The Credentialing Contact section asks for specific contact information for your credentialing contacts.

• You may provide multiple credentialing contacts based on their location by first indicating the “Location Type”, e.g. practice location or hospital affiliation, and then by selecting from a drop-down list of your previously entered practices or hospitals.
• You may also indicate the same credentialing contact for multiple locations by selecting the appropriate locations from the drop-down menu in the “Location” field.

![FIGURE 132](image-url)
Tips:
- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter information for a credentialing contact.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

Professional Liability Insurance

CAQH is changing the Professional Liability Insurance (PLI) page to make it easier to manage PLI records.

Providers can now add traditional and non-traditional malpractice policies.

The leading question “Are you covered under a professional liability insurance policy?” has been removed and replaced with “Please enter at least one insurance policy.”

**FIGURE 133**

PROFESSIONAL LIABILITY INSURANCE

* Required fields are indicated with a red asterisk. All other fields are optional.

Insurance Coverage

*Please enter at least one insurance policy
You must maintain at least one current policy record

Federal Tort Claims Act (FTCA) Coverage
The FTCA provides liability coverage for providers that offer services through entities that are supported by the Health Resources and Service Administration (HRSA). FTCA-eligible entities include:
- Federally Qualified Health Centers (FQHC)
- Indian Health Services (IHS)
- Community Health Centers
- Migrant Health Centers
- Health Care for the Homeless Centers
- Public Housing Primary Care Centers

Visit HRSA to learn more about FTCA and eligible entities.

☐ I am covered by FTCA

Not-Insured

☐ I am not insured

☐ Save and Go Back  ☐ Save  ☐ Save & Continue
By clicking the Add button, providers can access the CAQH insurance coverage form to add malpractice insurance information. Click “Add” to enter the details.

When adding a Professional Liability Insurance record, you are required to fill in the following fields:

- Policy Number
- Current Effective Date – The Current Effective Date must not be greater than the Current Expiration Date. Otherwise, an error will appear on the Required Fixes page.

**FIGURE 135**

![Correct Errors](image)

**FIGURE 136**

![Self-Insured](image)
New! CAQH has added an optional field “Covered Practice Location”. Providers can now map active practice locations to insurance policies using this field. Click the checkbox of the applicable practice location/s.

After you have entered all the required details, click “Save & Continue” found at the bottom of the page. You will be prompted with a message reminding you to upload a copy of your Professional Liability Insurance Face Sheet or a Certificate of Insurance document for the policy record that you have just entered.

Note: Please ensure that the following should match the details on your face sheet:

- Provider’s Name
- Current Expiration Date
- Policy Number entered

If these details on the PLI document do NOT match the information listed in your profile, the document will be rejected.
A consolidated preview list of all the Provider's insurance policy records will be displayed on the page.

The PLI section will be categorized by “Current” and “Expired” insurance policies.

Providers will see a tooltip for current insurance policies that are expected to expire before their next attestation date.
Toolips are also visible for expired insurance policies that are older than 10 years.

Providers operating with FTCA exempt health centers can indicate FTCA coverage by selecting “I am covered by FTCA”.

Federal Tort Claims Act (FTCA) Coverage
The FTCA provides liability coverage for providers that offer services through entities that are supported by the Health Resources and Service Administration (HRSA). FTCA-eligible entities include:

- Federally Qualified Health Centers (FQHC)
- Indian Health Services (IHS)
- Community Health Centers
- Migrant Health Centers
- Health Care for the Homeless Centers
- Public Housing Primary Care Centers

Visit HRSA to learn more about FTCA and eligible entities.
You can select the field “FTCA-Covered Practice Location(s) to indicate which of your active locations is associated with an insurance policy.

**FIGURE 144**

Federal Tort Claims Act (FTCA) Coverage
The FTCA provides liability coverage for providers that offer services through entities that are supported by the Health Resources and Service Administration (HRSA). FTCA-eligible entities include:

- Federally Qualified Health Centers (FQHC)
- Migrant Health Centers
- Test
- Tina Dee Clinic
- Tina Dee
- Tina Dee Clinic
- Tina Dee Clinic

You can also select the same location for FTCA coverage and traditional malpractice insurance if a location is FTCA exempt and covered by traditional malpractice insurance.

Additional details have been added to the page to help providers understand more about FTCA. A link to HRSA is also available should you wish to learn more about FTCA and eligible entities.

**FIGURE 145**

Federal Tort Claims Act (FTCA) Coverage
The FTCA provides liability coverage for providers that offer services through entities that are supported by the Health Resources and Service Administration (HRSA). FTCA-eligible entities include:

- Federally Qualified Health Centers (FQHC)
- Migrant Health Centers
- Indian Health Services (IHS)
- Health Care for the Homeless Centers
- Community Health Centers
- Public Housing Primary Care Centers

Visit [HRSA](#) to learn more about FTCA and eligible entities.
Providers who have indicated that they are covered by FTCA will be required to upload a copy of the FTCA document in the Documents section. Once the checkbox is selected and saved, a slot for the FTCA document will be automatically created in the Documents section. You are required to upload a copy of your FTCA document in this slot.

![FIGURE 146](image)

Providers without any traditional or non-traditional malpractice insurance are required to confirm their coverage before they can proceed.

![FIGURE 147](image)
By selecting “confirm” the options to add other malpractice insurance is deactivated.

**FIGURE 148**

**Note:** You are required to upload a confirmation letter on your professional letterhead stating lack of coverage or providing further explanation. Please navigate to the Documents page to do so. This document will appear as missing and required on the Documents section of your application.

**FIGURE 149**

Renewing an Expired PLI Record

Renew an expired policy record for you to be able to upload a copy of the renewed policy. If you plan to send the renewed PLI document through e-mail or US mail, it is critical that you first renew the expired PLI record in the portal. Otherwise, your document will be rejected and you will be asked to re-upload it in the portal using the document slot for the renewed PLI record.

- When renewing an expired policy with an associated document in "Received", "Approved", or "Expired" status, the “Edit” option will not work. Instead, click on the “Renew” button for the applicable policy and you will be prompted to enter an updated Effective Date and Expiration Date. You will also be prompted to upload an updated Insurance Face Sheet or Certificate of Insurance for the renewed
policy. A missing PLI document will appear on the Documents section for the renewed policy.

FIGURE 150

The expiration date entered here must match the expiration date listed on the insurance face sheet. If it does not match, the insurance face sheet will be rejected from the CAQH ProView.

b. Review the other details found on the page. Click Save and Continue after making the changes.

Additional Information about PLI Documents/Letter of Self-Insurance

- The policy number will be added in the Document Name column next to the document name "Professional Liability Insurance". Example - Professional Liability Insurance - PL13483N.
You will not see the "Replace" document action for any Professional Liability Insurance document type with a status of “Approved” or "Expired".

You will only see the “Delete” action on Professional Liability Insurance documents with an “Expired” status.

If you are self-insured, you will no longer see the Document Name "Letter of Self Insurance" from the document dropdown list but you will now see the Document Name "Letter of Self Insurance/Explanation of No Insurance".

You will not see a document showing as “Missing” for any associated data record that has a “Current Expiration Date” that is prior to today’s date.

All "Professional Liability Insurance" documents with a status of "Expired" will appear as "Optional" if at least one PLI document exists for a current PLI record with a status of "Missing", "Received", "Approved", or "Failed".

Throughout each step of completing the PLI section, help copy, and tooltips are available for help.

Providers can hover over each of the available options for additional information and instructions.
The ‘self-insured’ question and answer will continue to show in the portal but on the Professional Liability Insurance Record screen, right next to the question “Individual Coverage?” for Providers practicing in CAQH States, Oklahoma, and Texas (NOT Colorado, Georgia, Massachusetts, Minnesota, North Carolina, Mississippi, Nevada, Oregon, Washington, and West Virginia).

• If you have previously answered the “Self-Insured” question, your answer should remain for that self-insured question.
When you log in to your account after these changes have been implemented and navigate to the Professional Liability Insurance section, you will no longer see the leading question “Are you covered under a professional liability insurance policy?”
If you previously answered "Yes" to "Self-Insured?", the checkbox for "I am not insured will be ticked.
If you previously entered a professional liability insurance policy, that record will be displayed in your profile.

**Employment Information**

The Employment Information section asks for information regarding your employment history, including your current and previous work information, any work history gaps, and any military employment information.

**New!** The Employment Information page has been redesigned to improve CAQH ProView user experience for all providers.
Tips:

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter an employer and the related information.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.
- If you have not yet started work at a location, enter your expected start date in the Start Date field.
- In general, a gap is any break in continuous, full-time employment for 3 months or longer.
- Some organizations may require a full work history beginning with your professional degree and the reporting of all gaps in work history. Check with your credentialing organization.
- Instructions such as what details to include on the Employment Information section, how to handle employment gaps, and any other work history-related details have been added to the page.
- You are required to enter at least one Employment Information record on the profile. To do this, click ‘Add’ button under New Employment Records.

Once you have added employment information to your profile, a preview of the record will be displayed on the page with the following details: Practice/Employer Name, State Date, and End Date. If you have more than one employment record, only the previous one/s will have the end date. Your current employment record will be indicated with ‘Current Employment’.

If there are any employment gap records, CAQH ProView will display a message “Add an explanation for this gap” and a red marker “Please Respond”. The start and end date of the gap will also be indicated. You are required to fill in all
Employment Gaps before attestation. Click the Edit button to add an explanation for the gap.

**FIGURE 159**

You must document any gaps in employment longer than 6 months (jobs not related to your profession, family leave, etc.) within the past 10 years.

- The Oregon credentialing application asks providers to account for gaps longer than 60 days.

Add an explanation for employment gaps longer than 6 months

Providers practicing in Minnesota, West Virginia and North Carolina will be required to enter a reason for unemployment gaps longer than 90 days.

**FIGURE 168**

New Gap Records

You must document any gaps in employment longer than 6 months (jobs not related to your profession, family leave, etc.) within the past 10 years.

- The Minnesota credentialing application asks providers to account for gaps longer than 90 days.

Add an explanation for employment gaps longer than 6 months
Professional References

The Professional References section asks for information regarding your references and their related contact information.

Tips:

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter a professional reference and the related information.
Disclosure

The Disclosure section includes all disclosure questions required for your practice states, including any state specific disclosure questions as well as a disclosure of ownership section. Please answer the questions accordingly.

Note: To include your disclosure of ownership answers in a PDF version of your data profile, you will need to download, print, sign and then upload the signed copy to CAQH ProView. This document will be available for download via the Documents screen.

FIGURE 170
Authorize

The Authorize section allows you to indicate which healthcare organizations you would like to authorize release of your profile information.

Review the information provided on the screen, select the applicable authorization and agree to the authorization release accordingly:

- You can indicate a “global” authorization, which allows access to your data profile to all healthcare organizations that indicate to CAQH that you are an affiliated provider or are in the process of becoming an affiliated provider.
- You also can individually select organizations to allow access to your data profile by selecting “Only the healthcare organizations that indicate I am an affiliated provider or am in the process of becoming an affiliated provider, and I specify below”.
- In the “Other Organizations Authorization” section, you have the option to release a more limited set of your data profile to healthcare organizations that you are not affiliated with.
  - Organizations need data for providers who are not affiliated or participating in their network to pay out-of-network claims. For example, if a health plan would like to verify a non-participating provider’s address before they submit payment for the claim.
In the “Other Organization Authorization” section, you have the option to either grant global authorization to all health plans who indicate you are not affiliated or to select the individual plans who have indicated you are not affiliated. By selecting the latter option, you will be able to view which health plans have asked to view a limited set of your data and can grant access via line item authorization. If preferred, you do not need to authorize any organizations that you are not affiliated with.

- If you are interested in participating with additional health plans, you need to contact each health plan directly. Once you are added to the health plan’s CAQH provider roster, the health plan will be listed on this authorization screen.

Update Authorization

You can change or update your authorization selection at any time. Simply log into CAQH ProView and select “Authorize” from the top navigation menu to make your change. Click “Save” for your changes to be effective.

FIGURE 172
CHAPTER 5: Review Your Data

Once you have completed your data profile, select “Review and Attest” from the top navigation bar.

FIGURE 173

On the Review screen, there are four areas you can access to review your data.
1. **View Errors** – Click here to address any errors you need to fix within your data profile.
2. **View Documents** – Click here to see all supporting documents uploaded into your data profile, and any missing documents needed to complete your profile.
3. **View Your Data Summary** – Click here to view a PDF summary of your data profile.
4. **Download Your State Application** – Click here to generate a replica of any state specific application applicable to your practice state(s).

FIGURE 174
Correct Errors

The “Correct Errors” screen will highlight any required or suggested fixes you may need to make to your data profile.

Tips:
- When you click on a required or suggested fix, the system will direct you back to the applicable section to make the required changes.
- It is recommended that you also correct any suggested fixes to ensure your data profile is as complete and as accurate as possible for health plans accessing your data.

FIGURE 175

![Correct Errors Screen]

CAQH ProView validates that the identification numbers you entered for DEA, NPI and TIN match the provider name associated with that identification number. If applicable, you will be notified in the Suggested Fix section that the number you entered does not belong to your provider name. You can choose to click on “Change” to correct this error or “Ignore” to keep the data you entered the same. This step is optional, but CAQH strongly suggests you review any suggested fixes to ensure your data profile is accurate.
View Documents

This section shows the information you uploaded in the portal and any missing documents needed to finalize your application. This screen can also be accessed by clicking on “Documents” from the top navigation bar. Refer to Chapter 6 – Uploading Supporting Documentation from more information.

View Your Data Summary

Once you have reviewed your documents, click on “View Your Data Summary” from the “Review” screen to view a PDF summary of your application and validate that the information entered is correct. Double-click the image to view your application and to enable the “Save” and “Print” features.
Download Your State Application

You can click on “Download Your State Application” from the “Review Screen” to generate the CAQH standard form, or if applicable a state specific form, of your information. Select a state for which you want the report generated, select the “Include Supporting Documentation” checkbox if applicable, and double-click the image to view your state replica. You have the option to print your application if desired. **Note:** the report will open in a PDF format. If you do not have Adobe Acrobat 4.0 or higher installed, select the link at the bottom of the section to install it.

FIGURE 178

You have a few errors to fix before attesting.

Download Your State Application
CHAPTER 6: Uploading Supporting Documentation

Uploading Documents

To complete your data profile, you will need to upload into CAQH ProView any applicable supporting documents. CAQH ProView does not support faxing of supporting documents.

Here are the steps on uploading supporting documents on the Documents section:

1. Scan and save your document (if needed). Please make sure the document is in PDF, TIF, JPG or JPEG format for it to be accepted into the system.
2. Log in to CAQH ProView using your username and password.
3. Click the Documents link on the top navigation menu to go the Documents section. Any missing documents will be shown on this page.
4. Be sure to select the appropriate document name or document type when uploading documents. Each document must to be uploaded separately.

5. Click “Upload”. Click “Browse” to select a file for upload. Then, click “Upload”.
6. Your uploaded documents can be viewed on the “List of Documents” found on the upper portion of the same page.
7. Recently uploaded documents will show as “Received.” Once the document is reviewed by CAQH and accepted, the status will change to “Approved”. All documents may be viewed regardless of the status.
8. You will have to click the document name link to be able to view the document. You may also “Replace” an existing document, or to “Delete” a document if necessary.

Here are examples of supporting documents you may need to submit for your application:

- Drug Enforcement Administration (DEA) Certificate
- Controlled and Dangerous Substances (CDS) Certificate
- State medical license(s)
- Malpractice insurance policy face sheet

**Authorization, Attestation, and Release Form (AAR Form)**

When you initially complete your data profile and attestation, a signed Release form is required for your data profile to be complete.

To submit a Release form, you need to perform the following steps:

1. The Authorization, Attestation, and Release (AAR) Form applicable to your practice state is displayed in the Documents section. The AAR will appear as “missing” if one is not presently attached to your profile.
2. Sign the form and indicate the date it was signed. **Note:** The signature on the initial AAR form should be a wet signature. Stamped or electronic signatures will NOT be accepted.
3. Signed AAR form must be submitted within 120 days from the signature date. If the AAR form’s signature date is greater than 120 days, it will NOT be accepted by CAQH.
4. Upload the form to CAQH ProView.
FIGURE 181

CAQH added some help content advising providers on how you can replace your application release document.

FIGURE 182

Note that this kind of requests is only accommodated if there is a valid reason to replace the document such as a name change, etc.

**Failed Documents**

CAQH will review all submitted supporting documents for accuracy within approximately 48 hours upon submission. A document may fail for the following reasons:

1. **Illegible** – the document is not clear enough to be read.

2. **Not compliant** – the document may be missing a date, may be missing a signature, or more than one document may have been included within the same file.

3. **Ineligible** – the document submitted may have an expired date or does not correspond to the document type selected. For example, if you upload a license to a “Professional Liability Insurance” document type, the document will fail. You will need to upload the license using the “State License” document type.
**Note:** Signed supporting documents must be submitted within 120 days of the signature date. If a supporting document’s signature date is greater than 120 days, it will not be accepted by CAQH ProView.

**North Carolina Providers**

CAQH ProView requires different North Carolina State Release forms for each authorized Participating Organization.

- If you have authorized individual organizations, you are required to upload a North Carolina State Release form for every health organization that you have authorized.
- If you have selected global authorization, which authorizes any organization who adds you to their roster, a North Carolina State Release form is required for every health organization that has added you to their roster.

**FIGURE 183**

![Organizations Table](image)

- If you are new to CAQH ProView and practice in North Carolina, you will be required to upload a separate, specific State Release form for each organization you have authorized. You must download the specific form, sign it, and upload it in CAQH ProView.

**Note:** First time attesting providers who practice in North Carolina will be required to upload each plan-specific release forms before they can attest so that all of the plans that have rostered the provider will receive a signed AAR for that plan. Providers in Initial Profile Complete, Re-attestation, or Expired Attestation statuses will be able to attest without uploading additional plan-specific release forms in they have been added by another plan.

- If you have initially attested and have already uploaded at least one State Release form, your existing releases will remain in the documents section. However, you will
see new slots for “missing” State Release forms. There will be one missing slot for each organization you have authorized.

- Click the ‘Download’ button corresponding to each of the missing State Release forms. The number of North Carolina State Release forms available for download depends on the number of POs who have added you to their roster or the POs you have individually authorized. These State Release forms will be pre-populated with the PO name.

- Sign the State Release forms, indicate the date the forms were signed, and upload in the CAQH ProView Documents section by clicking the ‘Upload’ button corresponding to each of the missing documents.

- The ‘Missing’ status will disappear after you have uploaded these documents.

- Documents that require “Download” will have a status of “Missing” until a document is uploaded in that slot.

- State Release forms will be pre-populated with the names of authorized health organizations and will be available for download from the Documents section.

**FIGURE 185**

**Attestation Statement**

*IMPORTANT: Submit Original Only*

*Fill in each space with the name of the Health Plan for which you are applying.*

*No Stamps or Copies Please*

All information submitted by me in this application, as well as any attachments or supplemental information, is true, current, and complete to my best knowledge and belief as of the date of signature below. I fully understand that any significant misstatement in this application may constitute cause for denial of my application or termination of a resulting participation agreement.

By application for membership in [Blue Cross Blue Shield of North Carolina], I signify my willingness to appear for interview in regard to my application. I authorize [Blue Cross Blue Shield of North Carolina] to consult with administrators and members of the medical staffs of hospitals or institutions with which I have been associated and with others, including past and present malpractice carriers, who may have information bearing on the questions in this application. Upon request, I will obtain and provide to [Blue Cross Blue Shield of North Carolina] materials pertaining to my qualifications and competence, including, materials relating to complaints filed, any disciplinary action, suspension, or action to curtail my medical-surgical privileges. I further consent to the inspection by representatives of [Blue Cross Blue Shield of North Carolina] of all documents that may be material to an evaluation of my professional qualifications and competence.*
• If the Document Type is CAQH AAR, the page will not show the actions links for Replace or Download for that document if the status is Approved.
• You are required to upload ALL State Release forms even though the portal shows the remaining releases as optional (only one State Release form is marked with a red asterisk).

**AAR for Oklahoma Providers**

Providers practicing in Oklahoma are now required to upload the CAQH Authorization, Attestation, and Release Form (AAR Form) in addition to your Oklahoma Application Release.

When you navigate to the Documents section of your application, you will see a missing CAQH Application Release. Click the Download link to download a copy of the document.

![FIGURE 186](image)

Sign the form and indicate the date it was signed. Note: The signature on the initial AAR form should be a wet signature. Stamped or electronic signatures will NOT be accepted.

![FIGURE 187](image)
**Note:** Signed AAR form must be submitted within 120 days from the signature date. If the AAR form’s signature date is greater than 120 days, it will NOT be accepted by CAQH.

Upload the form to CAQH ProView by clicking the Upload link.

**Note:** The document type Other has been removed from the dropdown menu. The CAQH ProView application will display the required documents based on your practice state, your provider type, and any other details that you have entered on your profile. Other documents types that don’t appear as required in the Documents section of your profile don’t need to be uploaded or submitted to CAQH.
CHAPTER 7: Importing Data from the Practice Manager Module

If your practice has an office manager or clinic administrator who assists with gathering information for credentialing or other administrative purposes for multiple providers, the CAQH ProView Practice Manager Module may facilitate your data entry process. Data that is the same for multiple providers (e.g., clinic name, address and phone number) can be entered once by a practice manager, rather than having to be entered repeatedly for each individual provider.

Once a practice manager enters this information for you into the CAQH ProView Practice Manager Module, the practice manager will “export” the data, i.e. transfer the data, to your data profile. You will have the option to view this data and choose to import the data if you desire.

The sections that a practice manager can export to you include:

1. Personal information
2. Professional IDs
3. Education
4. Professional training
5. Specialty
6. Credentialing contact
7. Practice location
8. Hospital affiliations
9. Professional liability insurance

At the top of each of these sections, you will see an “Import” button. If there is data available to you to import into your data profile, this “Import” button will be active and available for you to select to review the data that was entered for you by a practice manager. You can either choose to import the data as a new set of information or replace an existing set of data within the applicable section.

FIGURE 189

![Personal Information](image-url)
Drag & Drop Functionality

When you click on “Import”, the “Select Information to Import” screen will present. You will use a “drag & drop” functionality to import your data. Drag and drop is a pointing device gesture in which you can select the data to be imported by "grabbing" it and dragging it into your data profile. Here is an example of professional liability information entered by a practice manager that is available for import.

To add information to your data profile, click on the box containing the information and drag the box from the right to the left side of the screen.

- By hovering over the box over information you already have in your data profile on the right side, you can overwrite and replace the information. The system will confirm that this is what you would like to do.
- You can click on “Reject” if you do not wish to import the data into your data profile.
CHAPTER 8: Completing Your Attestation

Attesting

Submitting your attestation is required to complete your data profile. This step allows you to make a final review of your information and to attest to its accuracy. Click on “Review and Attest” from the top navigation bar to begin the process.

If there are required fixes on your profile, you will be directed to this page. This page also shows any missing or expired documents. You need to correct all the errors before you can complete the re-attestation. Click the View Errors button.
You will be directed to the page which shows the sections and the fields which you need to fill out or correct.

Once all the fields are filled out or corrected, the following screen will display. You are now ready to complete your re-attestation. If you wish to review your data summary, you may click the link for “reviewed all information” or Click the View Your Data Summary” found below the page. Then click Attest.
The “Attestation Completed” screen will then display.

**FIGURE 195**

A confirmation will be sent via email to you within approximately 48 hours after all documents have been received and approved.

**Re-Attesting**

Re-attestation is required every 120 days (180 days for Illinois providers) in CAQH ProView to ensure your data is maintained and accurate for health plan use. To complete your re-attestation, follow these steps:

1. If you have updates to make to your data profile, click on “Profile Data” from the top navigation bar and then the applicable section to update any necessary information in your data profile.
2. If you need to upload any updated supporting documentation, click on “Documents” from the top navigation bar to upload your documentation.
3. Once you have updated any applicable information or supporting documentation, click on “Review and Attest” from the top navigation bar to begin the re-attestation process.
On the Review screen, you can view if any required fixes or supporting documents need attention.

**Note:** If the PLI and/or State License have expired, you will be prompted to update the expiration date and other relevant details on your profile before you can attest. Once these steps are completed you will be able to attest.

Correct all the required fields by clicking View errors.
Once all the fields are filled out or corrected, the following screen will display. You are now ready to complete your re-attestation. If you wish to review your data summary, you may click the link for “reviewed all information” or Click the View Your Data Summary” found below the page. Then click Attest.

The “Attestation Completed” screen will then display.

A confirmation will be sent via email to you within approximately 48 hours after all documents have been received and approved.
Re-attestation Reminder Emails

Re-attestation is required every 120 days (180 days for Illinois providers) in CAQH ProView to ensure your data is maintained and accurate for health plan use. CAQH Proview will email you to remind you when you are due for re-attestation. System automated generated emails will be sent to your primary method of contact email, and if on file the PMOC CC1 and PMOC CC2, at the following intervals (message frequency and timing differs for Illinois providers):

1. 15 days prior to expiration  
2. 10 days prior to expiration  
3. 5 days prior to expiration

If no re-attestation has occurred, a provider will be put in “Expired” status on the day after the re-attestation was due. Providers in expired status will receive the following notices:

1. Day after provider is placed in expired status  
2. 14 days after expired  
3. 28 days after expired  
4. 42 days after expired – final notice

Verify your primary method of contact email on the Personal Information section. It is important to keep this email accurate and current so that you receive these important messages. You also can enter two additional email addresses in this same section (PMOC CC1 and PMOC CC2) that will be copied on the system generated messages.
**APPENDIX**

**Provider Status**

Provider statuses are defined below and are system populated or manually changed by the CAQH ProView Support Center based on the status of your data profile:

<table>
<thead>
<tr>
<th>Status</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>New Provider</td>
<td>Provider has been entered into system but has not been sent a registration kit.</td>
</tr>
<tr>
<td>Initial Outreach</td>
<td>Provider has been sent outreach but has not yet registered.</td>
</tr>
<tr>
<td>Return Mail</td>
<td>Registration kit mailing is returned from USPS* due to poor mailing address, provider no longer at the address, etc.</td>
</tr>
<tr>
<td></td>
<td>*Note that effective 06/08/2020, CAQH is no longer sending registration kits via USPS.</td>
</tr>
<tr>
<td>Undeliverable</td>
<td>Unable to outreach to provider due to lack of valid information. For example, invalid email address.</td>
</tr>
<tr>
<td>Alternate Outreach</td>
<td>Provider has been messaged at a secondary location after attempts are made to primary office location.</td>
</tr>
<tr>
<td>First Provider Contact</td>
<td>Provider has called or logged into CAQH ProView.</td>
</tr>
<tr>
<td>Profile Data Submitted</td>
<td>Provider has progressed through CAQH ProView and &quot;attested&quot;. Still waiting for supporting documents. Also, may be referenced as “Application Data Submitted”.</td>
</tr>
<tr>
<td>Initial Profile Complete</td>
<td>Information has been attested to and supporting documents received. Also, may be referenced as “Initial Application Complete”.</td>
</tr>
<tr>
<td>Re-Attestation</td>
<td>After the provider has reached initial application complete, and the provider is keeping information current and &quot;attesting&quot;.</td>
</tr>
<tr>
<td>Expired Attestation</td>
<td>After attestation is greater than 120 days old.</td>
</tr>
<tr>
<td>Opt out</td>
<td>Provider has asked to be removed from the CAQH database.</td>
</tr>
<tr>
<td>Provider Retired</td>
<td>Help Desk is contacted that provider has retired from practice.</td>
</tr>
<tr>
<td>Provider Deceased</td>
<td>Help Desk is notified that provider is deceased.</td>
</tr>
</tbody>
</table>

## Revision Log

<table>
<thead>
<tr>
<th>Version</th>
<th>Updates</th>
</tr>
</thead>
<tbody>
<tr>
<td>Version 1</td>
<td>Original</td>
</tr>
</tbody>
</table>
| Version 1.1 | - Updated *System Security* section.  
- Updated *Chapter 5 – Review Your Data* to reflect current print screens of Review tab  
- Updated *Chapter 8 – Completing Your Attestation* to reflect current print screens of Attest tab  
- Updated *Appendix – Provider Status* table to reflect accurate names for provider status, specifically “Application Problem”, “Application Data Submitted”, and “Initial Application Complete”. |
| Version 2 | - Updated *System Security* section  
- Updated *Chapter 6 – Uploading Supporting Documentation*. Added information regarding failed supporting documents.  
- Updated *Chapter 8 – Completing Your Attestation*. Added information regarding when re-attestation reminder emails are distributed.  
- Updated sections within *Chapter 4 – Completing Your Profile Information*.  
  o Clarified that the Disclosure of Ownership questions must be downloaded, signed, and uploaded for organizations to access information in replica applications.  
  o Clarified that primary email and PMOC CC1 and PMOC CC2 are the emails that are sent the automated system generated emails.  
  o Added additional information regarding authorizing organizations with which a provider does not participate.  
- Added reference to “Save” button - users can click on the “Save” button to save their information entered on a screen. |
| Version 3 | - Updated screenshots for all pages/sections to show enhancements on CAQH ProView  
- Added details on uploading supporting documents  
- Added details on uploading North Carolina State Release forms  
- Added some screenshots on the Documents section  
- Added a section for the Progress Bar  
- Updated the names of some of the buttons and links |
| Version 4 | - Added a note on page 43 that states: *The signature on the initial AAR form should be a wet signature. Stamped or electronic signatures will NOT be accepted.*  
- Added some more details about Activity Log on page 14.  
- Added a note that ALL documents may now be viewed regardless of the status. |
| Version 5 | - Updated the following pages to add some more tips and instructions: Professional IDs, Education, Specialties, Practice Locations, Hospital Affiliations, Employment Information |
| Version 6 | - Updated the following pages: Uploading documents (AAR documents), Practice Locations Address Standardization, Professional Liability Insurance |
| Version 7 | - Updated Personal Information and Practice Location section to add details about NPI validation  
- Updated Practice Location to add details about validating all practice location addresses |
